## ABOUT RAPHA

Rapha exists to celebrate the world of road cycling. The beauty, the pain, the suffering and the glory. Rapha performance roadwear is designed with the rider in mind. It combines the best performing fabrics in the world with the finest design. But Rapha is more than just a product company. At its heart is the understanding that glory comes through suffering, and the greater the suffering, the greater the reward.

In May, Rapha will be opening Rapha Cycle Club - part retail space, part cafe - as a place where this passion can be shared with others who believe that road riding is the most beautiful sport in the world.
